"October 9, 1919, I had one of your Round Oak Pipeless Heating Systems installed in my home, and I was perfectly satisfied with same. Let me tell you what it has done or me, and I am sure that it will do the same for others. I have twelve large room and they were all warm to an average temperature of about 70 degrees. I started my fire November 1, 1919, and did not let it go out until April 28, 1920, and burned only SIX TONS OF COAL." FDWARD ADAMS. Taftville.

RIGHT NOW--Prepare for the Cold Weather

There is a serious shortage in quality heating equipment, and the freight situation is further delaying shipments. This and other facts will cause rapid price advances, we predict.

We advise that you order your ROUND OAK Pipeless Heating System NOW. We are fortunate in having a few on hand. You will be protected both on price and delivery by contracting at once !
